spread there was sharp falling off

When you stop to think for a "minute" you can realize what great demands are made on your eyes every day.

So much eye work is done in poor light-both by day and night and as a result the eye muscles are frequently overtaxed.

If everybody would make it a point to consult an Oculist once a year there would be far less eye trouble.

It's a lot more sensible to make sure that your eyes are right than to wait until you are sure they have gone back on

Examination of your eyes by Our Oculists (Registered Physicians) is included in the cost of Harris Glasses-82 or more.

There is no charge for their services, whether or Not you require glasses
